EXPECTATION SHEET - COLLEGE -PREP. CHEMISTRY

1) CLASSROOM MATERIAL

Students must bring with them to class each day:

1. Paper, pencil, pen
2. Scientific calculator
3. World of Chemistry book (when instructed by me to bring it.)

2) STUDENT CONDUCT

- A. Follow directions.
- B. Be kind to others.
- C. If you make a mess, clean it up.
- D. No Whining!

3) The class schedule and homework will be available online at:

<http://web1.tvusd.k12.ca.us/gohs/jmaclean/A%20Chemistry%20Calendar%202017-2018.htm>

This site is maintained with the idea that you can know what is coming up in the class like tests as well as to allow you to keep up when you are absent. You will find links to resources and even videos. If you are absent and come to class with the assignment from the previous day completed, you may receive one extra point to reward you for your efforts.

4) GRADING POLICY

Grades will be available online on the school's website with your Pinnacle login.

A student's grade will be based on: tests, prep-tests, quizzes, labs, activities, homework, online homework, class work and warm-ups. All assignments will be given points.

The grading scale will be as follows:

- A= 90%
- B= 80%
- C=70%
- F=less than 69%

- Some retake exams will be available when appropriate. These retake exams will have a grade cap of 78%.
- Homework will be completed online at either the University of Texas Quest site or on our classes Canvas site.

5) MAKE-UP POLICY

A student is expected to do all class work whether he/she is in class or not. A student will be given **TWO SCHOOL DAYS** after returning to class to complete make-up work. It is the student's responsibility to make arrangement's to complete assignments. If a student is absent more than two consecutive days, it is highly recommended that the student contact Mr. MacLean or another student in the class for assignments. Some assignments cannot be made up and the student will have to do a substitute assignment to make up for the missed work. Tests must be made up and specified times within two weeks of the original test during lunch or after school.
